The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Lake Waushakum Clean Water Project in fiscal year 2023. The entity to receive funding for this project is the City of Framingham, located at 150 Concord Street, Framingham, MA 01702.

The funding would be used to improve water quality and reduce impacts from severe storms at Lake Waushakum. This project focuses on design, permitting, and construction to retrofit the 11 existing concrete stormwater outfall pipes and headwalls at Waushakum Beach with green infrastructure and stormwater treatment. The retrofit will be designed with consideration of recreational amenities and ADA compliance at the beach, with the ultimate goal of addressing environmental injustice in the City of Framingham.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Katherine M. Clark".
