The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Alewife Fitchburg Crossing Multi-Use Path Project in the fiscal year 2025. The entity to receive funding for this project is the City of Cambridge located at City Hall, 795 Massachusetts Ave., Cambridge, MA 02139.

The funding would be used by the City of Cambridge to produce the Alewife Fitchburg Crossing Multi-Use Path project, connecting neighborhoods and regional destinations in Cambridge to the MBTA Alewife Station. This project will complement a planned bicycle-pedestrian bridge that will create a safe connection over commuter rail tracks between a dense neighborhood with many low-income households on Rindge Avenue and Danehy Park, one of the city's largest parks. The project is an appropriate use of taxpayer funds because the project benefits the safety and accessibility of the community.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Katherine M. Clark".

Katherine M. Clark  
Member of Congress
