The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Wonderland Multimodal Connector in fiscal year 2022 appropriations.

The entity to receive funding for this project is the Massachusetts Department of Transportation (MassDOT), located at Ten Park Plaza, Suite 4160, Boston, Massachusetts 02116.

The funding would be used for planning and design for a new commuter rail platform and multimodal transportation connector in the City of Revere, linking the Newburyport/Rockport commuter rail line to the MBTA Blue Line. This project has key benefits not only for the City of Revere, but for the entire region. Creating greater regional and local transportation access would alleviate regional congestion for commuters into the City of Boston and local congestion along Route 1A. The project will also increase connectivity for the environmental justice and low-income communities of Revere, East Boston, Chelsea, and Winthrop to major transit hubs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Katherine M. Clark  
Member of Congress
