The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Carr Park Resilient Community Solar project in fiscal year 2023. The entity to receive funding for this project is the City of Medford, located at 85 George P. Hassett Drive, Medford, MA 02155.

The funding would be used for the implementation of an innovative resilient community solar park at Carr Park. This park will have a solar PV array over the basketball court which will power EV charging stations, new LED lighting, phone and laptop charging stations, and water features in the playground. Any additional electricity generated will power the fire stations across the street.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Katherine M. Clark".
