The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro,

I am requesting funding for the Malden River Works Project in the fiscal year 2024. The entity to receive funding for this project is the City of Malden located at 215 Pleasant Street, Malden, MA 02148.

The funding would be used by the City of Malden to fund construction of the Malden River Works Project. This project will ensure the operational capabilities of the city's Department of Public Works, and it will provide an environmental justice community with a new park on a historically inaccessible waterway. The project is an appropriate use of taxpayer funds because the project will improve access for community members and produce health and safety benefits for the City.

~~The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).~~

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Katherine M. Clark".
