The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Wellington Greenway Phase IV in fiscal year 2022 appropriations.

The entity to receive funding for this project is the City of Medford, located at 85 George P. Hassett Drive, Medford, Massachusetts 02155.

The funding would be used for the construction of the final phase (Phase IV) of the Wellington Greenway, which is part of a 10-mile continuous waterfront path and park system along the Mystic and Malden Rivers, providing a regional active transportation and recreation system for residents, employees, and visitors. Phase IV is a 0.3-mile shared-use path along the Malden River in Medford and the Wellington MBTA Rapid Transit Station. This project will create equitable access to safe, off-road walking and biking corridors for surrounding environmental justice communities while mitigating the traffic impacts of the increased residential and commercial development in the area.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Katherine Clark".
