The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
U.S. House of Representatives

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the New Boston Street at Industrial Way Woburn Lights and Safety Project in the fiscal year 2027. The entity to receive funding for this project is the City of Woburn located at 10 Common Street, Woburn, MA 01801.

The funding would be used by the City of Woburn to improve the safety and accessibility around the high usage commuter area of New Boston Street at Industrial Way. The project will improve safety, signalization, illumination and access for all modes of transit in the area. The project is an appropriate use of taxpayer funds because the project will produce health and safety benefits for residents.

The project has a federal nexus because the funding provided is consistent with purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Katherine Clark". The signature is written in a cursive, flowing style.
