CONGRESS OF THE UNITED STATES

The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Framingham Park and Playground Accessibility Project in the fiscal year 2027. The entity to receive funding for this project is the City of Framingham located at 150 Concord Street Framingham, MA 01702.

The funding would be used by the City of Framingham to redevelop and construct accessible parks, playgrounds and open space in the city. The project will produce playgrounds with accessible, safe, inviting and open recreational space for the community. The project is an appropriate use of taxpayer funds because the project will produce health and safety benefits for residents.

The project has a federal nexus because the funding provided is consistent with purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Katherine Clark".
