The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Revere Utility Elevation Project in the fiscal year 2027. The entity to receive funding for this project is the City of Revere located at 281 Broadway, Revere, MA, 02151.

The funding would be used to raise and elevate critical utilities in at-risk homes. Raising utilities prevents recurring flood damage and reduces continuous emergency repair costs. This will strengthen the resilience of the infrastructure in Revere's most flood-prone areas.

The project has a federal nexus because it is for purposes authorized by Section 203 of the Stafford Act (42 U.S.C. 5133) as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018. of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Katherine M. Clark". The signature is fluid and cursive, with a long horizontal stroke at the beginning.
