CONGRESS OF THE UNITED STATES

March 25, 2026

The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Hurld Park Project in the fiscal year 2027. The entity to receive funding for this project is the City of Woburn located at 10 Common Street, Woburn, MA 01801.

The funding would be used by the City of Woburn to redevelop land and construct an accessible park and playground in the city's central corridor. The project will produce an accessible park and playground with safe, inviting open recreational space for the community. The project is an appropriate use of taxpayer funds because the project will produce health and safety benefits for residents.

The project has a federal nexus because the funding provided is consistent with purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Katherine M. Clark".
