The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Belmont Stormwater Infrastructure Project in the fiscal year 2027. The entity to receive funding for this project is the Town of Belmont located at 19 Moore Street, Belmont, MA, 02478.

The funding would be used to build system of small-scale installations that are cost-effective and spread out the benefits of stormwater management across the urban landscape. We will employ a range of solutions including underground storage, soil infiltration and biotreatment of stormwater to improve water quality and reduce the potential for flooding.

The project has a federal nexus because it is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C.1381 et.seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Katherine M. Clark".
