The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Charles River Tree Project in the fiscal year 2026. The entity to receive funding for this project is the Town of Wellesley located at 525 Washington Street, Wellesley, MA 02481.

The funding would be used by the Town of Wellesley to increase urban tree canopy, improve stormwater management using infrastructure, and protect and restore the ecological health of the Charles River Watershed region. The project is an appropriate use of taxpayer funds because the project will improve the community and produce health and safety benefits for the watershed region.

This project has a Federal nexus because it is for the purposes authorized by the Soil Conservation and Allotment Domestic Act of 1935, 16 U.S. Code sections 590a-590d and 590f-g.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Katherine".
