Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Winthrop Town Gymnasium Project in the fiscal year 2027. The entity to receive funding for this project is the Town of Winthrop located at 1 Metcalf Square, Winthrop, MA, 02152.

The funding would be used to replace the aging system that has reached the end of its useful life. This facility serves as the emergency shelter location during natural disasters and long-term power outages. The new system will cover the full heating and cooling needs of the space and ensure the building can continue to function during emergency events as needed. The project has a federal nexus because it is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Thank you for your consideration of these requests.

Sincerely,

Katherine M. Clark
