The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Sudbury Emergency Services Upgrades Project in the fiscal year 2027. The entity to receive funding for this project is the Town of Sudbury located at 278 Old Sudbury Road, Sudbury, MA, 01776.

The funding would be used to replace the Self-Contained Breathing Apparatus (SCBA) system components on schedule and is essential to ensuring firefighter safety, compliance with federal and NFPA regulations, operational readiness at fire and hazardous materials incidents, and reliability during life-saving interior firefighting operations. Funding for this project would also allow the Town of Sudbury to replace a high-mileage ambulance before reliability becomes a risk to emergency response operations, ensuring that Sudbury Fire Department paramedics have dependable equipment to provide critical life-saving care to residents. The project has a federal nexus because it is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Katherine M. Clark". The signature is fluid and cursive.
