The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Hegner Community Center Project in the fiscal year 2027. The entity to receive funding for this project is the City of Medford located at 85 George P. Hassett Drive, Medford, MA 02155.

The funding would be used by the City of Medford to renovate the Hegner Center to create an accessible, resilient and safe facility that can be utilized for emergency. The project is an appropriate use of taxpayer funds because the project benefits the health and safety of community.

The project has a Federal nexus because the funding provided is consistent with purposes authorized by 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5)].

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Katherine Clark". The signature is fluid and cursive, with the first name "Katherine" written in a larger, more prominent script than the last name "Clark".
